

C130

Ultimate Performance, Ultimate Value

The ASK Proxima C130 is a dual-duty digital XGA projector that shines during the workday, and on into an entertaining evening.

From Work to Fun

EXTRA CONNECTIVITY The C130 ensures you can hook up no matter where you are. Connect your laptop, PDA, DVD player, cable or satellite TV system, digital camera, or game console. And when you're ready, take advantage of the wireless freedom with the C130.

EXTRA BRILLIANCE With native XGA resolution, the C130 delivers. A powerful zoom lens fills your screen or wall with 1700 max ANSI lumens of brightness. Impress your business clients with brilliant presentations during the workday. Impress your friends with larger-than-life images in the evening.

EXTRA DIGITAL VIDEO QUALITY With the C130, you can enjoy crisp images and full color, whether you're looking at this year's numbers or this year's best picture. The latest digital processing technology (DLP™) from Texas Instruments® provides a stunning 2000:1 contrast ratio and automatic deinterlacing, for smooth, true-to-life images that jump off the screen and pull your audience in. And its wide-screen capability lets you enjoy amazing video performance in a movie-theater format.

EXTRA ORDINARY VALUE Get high end performance and larger than life images at an affordable low price.

EXTRA DEPENDABILITY You can count on the C130's superior quality for an exceptionally long time. Its long-life lamp shines for an incredible 4000 hours. So sit back. Relax. Enjoy.

Get more out of your meeting with true digital video quality.

Use the C130 for versatile viewing beyond work.
